The American Numismatic Society,
New York, N. Y.
Gentlemen;

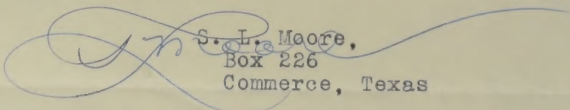

Please advise me if you can
furnish me with a book on Ancient Greek
and Roman Coins, bronze, silver & Gold.

I want something that will give
illustrations, values etc.

I am of the opinion Scott issued
such a book about 1910

Please advise me and oblige.

Most respectfully,

S. L. Moore,
Box 226
Commerce, Texas

Special Sale

Dear Sir:

I regret that I know of no catalogue such as you describe which will meet your need. Aside from the vastness of the field, you will realize that the condition of ancient coins is the major criterion in determining their value and as few people agree in describing the condition of a given piece there is no unanimity and therefore a catalogue giving the value of ancient coins is out of the question.

Very truly yours,

SN:JG

Secretary
